MORTLAKE CREMATORIUM**

WELCOME

At Putney Town Rowing Club we pride ourselves on being a friendly, welcoming part of the community in Kew and Mortlake.

Nestled between Kew Rail Bridge and Chiswick Bridge, we have a cosy bar and large hall with beautiful views of the River Thames from both our balcony and lawn.

Whilst we are first and foremost a rowing club, we welcome you and your guests to our clubhouse to celebrate the life of a loved one. Offering a low-cost, flexible service, our friendly Bar Manager and staff will be on hand to make your reception as hassle-free as possible.

OUR BAR

Our fully licensed bar will be open throughout your reception, accepting both cash and card.

We can offer you and your guests a wine reception on arrival; both the balcony and lawn are great areas to raise a toast to the memory of a loved one. In addition, a bar tab can be pre-arranged to make for a seamless event for both you and your guests.

CATERING

You will have access to our full working kitchen for your booking including limited fridge storage.

We are happy to assist with details of recommended caterers, however many guests choose to bring sandwich platters from local suppliers which can be dropped off in the morning.
